M E M O R A N D U M

This complaint of judicial misconduct was filed by a prisoner against the magistrate judge who was assigned to the 42 U.S.C. § 1983 action that the complainant brought against various state prison officials. He contends that the magistrate judge is biased against him and in favor of the defendants, and, in support of his contention, points to the magistrate judge's many adverse rulings in the underlying proceedings.

After conducting an initial review, the chief judge may dismiss a complaint as to which he concludes: (A) that the claimed conduct, even if it occurred, "is not prejudicial to the effective and expeditious administration of the business of the courts and does not indicate a mental or physical disability resulting in inability to discharge the duties of judicial office"; (B) that the complaint "is directly related to the merits of a decision or procedural ruling"; (C) that the complaint is "frivolous," a term that applies to charges that are wholly unsupported; or (D) that the complaint "lack[s] sufficient evidence to raise an inference that misconduct has occurred." Rule 11(c)(1)(A)-(D), Rules for Judicial-Conduct and Judicial-Disability Proceedings.

The complaint is subject to dismissal as directly related to the merits of the named judge's decisions in the underlying proceedings pursuant to 28 U.S.C. § 352(b)(1)(A)(ii) and Rule 11(c)(1)(B) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings. Such decisions are not the proper subject of a complaint of judicial misconduct. See Rule 3(h)(3)(A), Rules for Judicial-Conduct and Judicial-Disability Proceedings. An unsupported allegation that the judge's adverse rulings were the result of bias will not insulate a complaint from Rule 11(c)(1)(B) dismissal.

For these reasons, the complaint will be dismissed pursuant to 28 U.S.C. § 352(b)(1)(A)(ii) and Rule 11(c)(1)(B) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings.

/s/ R. Guy Cole, Jr.
Chief Judge
