M E M O R A N D U M

This complaint of judicial misconduct was filed by a pro se prisoner against the district judge who was assigned to his civil-rights action. The complainant alleges that the district judge improperly transferred his action to another district court.

After conducting an initial review, the chief judge may dismiss a misconduct complaint as to which he concludes: (A) that the claimed conduct, even if it occurred, "is not prejudicial to the effective and expeditious administration of the business of the courts"; (B) that the complaint "is directly related to the merits of a decision or procedural ruling"; (C) that the complaint is "frivolous," a term that applies to charges that are wholly unsupported; or (D) that the complaint "lack[s] sufficient evidence to raise an inference that misconduct has occurred." Rule 11(c)(1)(A)-(D), Rules for Judicial-Conduct and Judicial-Disability Proceedings.

A review of the district-court record reveals that the district judge transferred the complainant's action to a district court where venue was proper. The district judge denied the complainant's subsequent motions for reconsideration and to amend his complaint.

This complaint is subject to dismissal under Rule 11(c)(1)(B) because it is directly related to the merits of the district judge's orders. See also 28 U.S.C. § 352(b)(1)(A)(ii). Any challenge to the merits of a judge's decisions is outside the scope of judicial-misconduct proceedings. See Rule 3(h)(3)(A), Rules for Judicial-Conduct and Judicial-Disability Proceedings. The Judicial Council is not a court and has no jurisdiction to review any ruling by a judge. See *In re Complaint of Judicial Misconduct*, 858 F.2d 331, 331-32 (6th Cir. 1988).

For these reasons, the complaint will be dismissed pursuant to 28 U.S.C. § 352(b)(1)(A)(ii) and Rule 11(c)(1)(B) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings.

/s/ R. Guy Cole, Jr.
Chief Judge
