MEMORANDUM

This complaint of judicial misconduct was filed by a pro se litigant against the district judge who granted summary judgment to the defendants in the complainant's underlying civil action. The complainant challenges the subject judge's characterization of certain trial exhibits and alleges that the subject judge ignored or mischaracterized facts and evidence.

After conducting an initial review, the chief judge may dismiss a complaint as to which he concludes: (A) that the claimed conduct, even if it occurred, "is not prejudicial to the effective and expeditious administration of the business of the courts and does not indicate a mental or physical disability resulting in inability to discharge the duties of judicial office"; (B) that the complaint "is directly related to the merits of a decision or procedural ruling"; (C) that the complaint is "frivolous," a term that applies to charges that are wholly unsupported; or (D) that the complaint "lack[s] sufficient evidence to raise an inference that misconduct has occurred." Rule 11(c)(1)(A)-(D), Rules for Judicial-Conduct and Judicial-Disability Proceedings.

The complaint is subject to dismissal as directly related to the merits of the named judge's decisions in the underlying proceedings pursuant to 28 U.S.C. § 352(b)(1)(A)(ii) and Rule 11(c)(1)(B) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings. Such decisions are not the proper subject of a complaint of judicial misconduct. See Rule 3(h)(3)(A), Rules for Judicial-Conduct and Judicial-Disability Proceedings. The Judicial Council is not a court and has no jurisdiction to review the named judge's rulings or to grant relief requested in the underlying case. See *In re Complaint of Judicial Misconduct*, 858 F.2d 331 (6th Cir. 1988).

For these reasons, the complaint will be dismissed pursuant to 28 U.S.C. § 352(b)(1)(A)(ii) and Rule 11(c)(1)(B) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings.

/s/ R. Guy Cole, Jr.
Chief Judge

Date: August 17, 2016
