MEMORANDUM AND ORDER

This complaint of judicial misconduct was filed by **[REDACTED]** (“complainant”) against **[REDACTED]** (“subject judges”), pursuant to 28 U.S.C. § 351. The complainant generally asserts the subject judges collectively engaged in “numerous identity theft & lawsuit scams by using their judicial office . . . to perpetrate these monetary crimes-schemes and conspiracy against [complainant] and others.”

After conducting an initial review, the chief judge may dismiss a complaint of judicial misconduct as to which he concludes: (A) that the claimed conduct, even if it occurred, “is not prejudicial to the effective and expeditious administration of the business of the courts”; (B) that the complaint “is directly related to the merits of a decision or procedural ruling”; (C) that the complaint is “frivolous,” a term that applies to charges that are wholly unsupported; or (D) that the complaint “lack[s] sufficient evidence to raise an inference that misconduct has occurred.” Rule 11(c)(1)(A)-(D), Rules for Judicial-Conduct and Judicial-Disability Proceedings; see 28 U.S.C. § 352(a), (b).

In this complaint, the complainant alleges the subject judges engaged in the “numerous identity theft & lawsuit scams.” A review of the record shows these allegations are not supported by any evidence. The complainant points to no evidence that any of the subject judges engaged in any misconduct in any way, and the record contains no evidence whatsoever to support complainant’s allegation. The complaint is thus subject to dismissal as frivolous under Rule 11(c)(1)(C). See also 28 U.S.C. § 352(b)(1)(A)(iii).

Accordingly, it is **ORDERED** that the complaint be dismissed pursuant to 28 U.S.C. § 352(b)(1)(A)(iii) and Rule 11(c)(1)(C) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings.
