**MEMORANDUM AND ORDER**

This complaint of judicial misconduct was filed by **[REDACTED]** (“complainant”) against **[REDACTED]** (“subject judges”), pursuant to 28 U.S.C. § 351. The complainant generally asserts the subject judges showed bias against minorities and failed to “perform basic judicial duties” in handling complainant’s underlying civil case.

After conducting an initial review, the chief judge may dismiss a complaint of judicial misconduct as to which he concludes: (A) that the claimed conduct, even if it occurred, “is not prejudicial to the effective and expeditious administration of the business of the courts”; (B) that the complaint “is directly related to the merits of a decision or procedural ruling”; (C) that the complaint is “frivolous,” a term that applies to charges that are wholly unsupported; or (D) that the complaint “lack[s] sufficient evidence to raise an inference that misconduct has occurred.” Rule 11(c)(1)(A)-(D), Rules for Judicial-Conduct and Judicial-Disability Proceedings; see 28 U.S.C. § 352(a), (b).

In this complaint, the complainant alleges the subject judges were biased and failed to carry out their judicial duties related to complainant’s civil case. A review of the record shows these allegations are wholly unsupported. The complainant points to no evidence that either of the subject judges demonstrated bias against any minorities or otherwise failed to perform their judicial duties in any way, and the record contains no evidence whatsoever to support complainant’s allegation. The complaint is thus subject to dismissal as frivolous under Rule 11(c)(1)(C). See also 28 U.S.C. § 352(b)(1)(A)(iii).

Accordingly, it is **ORDERED** that the complaint be dismissed pursuant to 28 U.S.C. § 352(b)(1)(A)(iii) and Rule 11(c)(1)(C) of the Rules for Judicial-Conduct and Judicial-Disability Proceedings.
