MEMORANDUM AND ORDER

This complaint of judicial misconduct was filed by [redacted] ("complainant") against [redacted] ("subject judge"), under 28 U.S.C. § 351. The complaint challenges the subject judge's order granting summary judgment in the complainant's underlying civil case.

After conducting an initial review, the chief judge may dismiss a complaint of judicial misconduct as to which he concludes: (A) that the claimed conduct, even if it occurred, "is not prejudicial to the effective and expeditious administration of the business of the courts"; (B) that the complaint "is directly related to the merits of a decision or procedural ruling"; (C) that the complaint is "frivolous," a term that applies to charges that are wholly unsupported; or (D) that the complaint "lack[s] sufficient evidence to raise an inference that misconduct has occurred." Rules 11(c)(1)(A)–(D), Rules for Judicial-Conduct and Judicial-Disability Proceedings ("Judicial-Conduct Rules"); *see* 28 U.S.C. § 352(a), (b).

The subject judge presided over the complainant's underlying civil suit. The complainant has twice filed misconduct complaints against the subject judge stemming from the same underlying case. Both of those complaints ended in dismissal. The present misconduct complaint alleges that the subject judge "failed to report" material facts when ruling on a motion for summary judgment nearly nine years ago.

This complaint warrants dismissal. The allegations challenge the merits of the subject judge's summary-judgment ruling. The judicial-complaint process may not be used to challenge the merits of judicial decisions made in underlying proceedings; such decisions are not the proper subject of a complaint of judicial misconduct. *See* Judicial-Conduct Rule 4(b)(1). The Judicial Council is not a court and has no jurisdiction to review the subject judge's rulings or to grant relief requested in the underlying case. *See In re Complaint of Judicial Misconduct*, 858 F.2d 331 (6th Cir. 1988). These allegations warrant

dismissal because they are merits-related. *See* 28 U.S.C. § 352(b)(1)(A)(ii); Judicial-Conduct Rule 11(c)(1)(B).

Accordingly, it is **ORDERED** that the complaint be dismissed under 28 U.S.C. § 352(b)(1)(A)(ii) and Judicial-Conduct Rule 11(c)(1)(B).

/s/ Jeffrey S. Sutton
Chief Judge
