MEMORANDUM AND ORDER

This complaint of judicial misconduct was filed by [redacted] ("complainant") against [redacted] ("subject judges"). *See* 28 U.S.C. § 351.

After conducting an initial review, the chief judge may dismiss a complaint of judicial misconduct as to which he concludes: (A) that the claimed conduct, even if it occurred, "is not prejudicial to the effective and expeditious administration of the business of the courts"; (B) that the complaint "is directly related to the merits of a decision or procedural ruling"; (C) that the complaint is "frivolous," a term that applies to charges that are wholly unsupported; or (D) that the complaint "lack[s] sufficient evidence to raise an inference that misconduct has occurred." Rules 11(c)(1)(A)–(D), Rules for Judicial-Conduct and Judicial-Disability Proceedings ("Judicial-Conduct Rules"); *see* 28 U.S.C. § 352(a), (b).

The subject judges presided over the complainant's underlying civil case. This is the third misconduct complaint the complainant has filed against the subject judges. Prior complaints filed in 2023 and 2024 were dismissed as related to the merits of the subject judges' decisions.

The present complaint alleges the subject judges have been issuing illegal orders to tap the complainant's phone lines and install GPS, listening devices, and motion sensors to track the complainant and his wife.

This complaint warrants dismissal because it cites no credible evidence to support these allegations. A review of the record in the underlying case likewise offers no suggestion of illegal tracking. The complaint is therefore dismissed as frivolous. *See* 28 U.S.C. § 352(b)(1)(A)(iii); Judicial-Conduct Rule 11(c)(1)(C).

Accordingly, it is **ORDERED** that the complaint be dismissed under 28 U.S.C. § 352(b)(1)(A)(iii) and Judicial-Conduct Rule 11(c)(1)(C).

/s/ Jeffrey S. Sutton
Chief Judge
