MEMORANDUM AND ORDER

This complaint of judicial misconduct was filed by [redacted] ("complainant") against [redacted] ("subject judge"), under 28 U.S.C. § 351.

After conducting an initial review, the chief judge may dismiss a complaint of judicial misconduct as to which he concludes: (A) that the claimed conduct, even if it occurred, "is not prejudicial to the effective and expeditious administration of the business of the courts"; (B) that the complaint "is directly related to the merits of a decision or procedural ruling"; (C) that the complaint is "frivolous," a term that applies to charges that are wholly unsupported; or (D) that the complaint "lack[s] sufficient evidence to raise an inference that misconduct has occurred." Rules 11(c)(1)(A)–(D), Rules for Judicial-Conduct and Judicial-Disability Proceedings ("Judicial-Conduct Rules"); *see* 28 U.S.C. § 352(a), (b).

The subject judge presides over the complainant's underlying criminal case. This misconduct complaint alleges that the subject judge ruled on a post-judgment motion in that case without waiting for the complainant to submit his reply.

This complaint warrants dismissal. It challenges the timing of the subject judge's ruling. The judicial-complaint process may not be used to "question the correctness of an official decision or procedural ruling." *See* Judicial-Conduct Rule 4(b)(1) and related commentary. The Judicial Council is not a court and has no jurisdiction to review the subject judge's rulings or to grant relief requested in the underlying case. *See In re Complaint of Judicial Misconduct*, 858 F.2d 331 (6th Cir. 1988). The allegation that the subject judge violated local rules by ruling without considering a reply brief is therefore dismissed as merits-related. *See* 28 U.S.C. § 352(b)(1)(A)(ii); Judicial-Conduct Rule 11(c)(1)(B).

Accordingly, it is **ORDERED** that the complaint be dismissed under 28 U.S.C. § 352(b)(1)(A)(ii) and Judicial-Conduct Rule 11(c)(1)(B).

/s/ Jeffrey S. Sutton
Chief Judge
